

VOYAGER'S VOICE

NOVEMBER 1 DUES DEADLINE

Dues are right around the corner!!

This year, Dues are a little different.

A NEW Google form for Anchor dues is open now! Anchor members and advisors don't have to print and sign three individual forms (Dues Invoice, Officer form, and Treasurer's Report) this year, but instead can fill out a single Google form online with all of the info combined.

There is a spot in the Google form to upload a club roster with all the names and emails of your members, and this is required to stay in good standing with PI Headquarters.

We also have a Zeffy form this year to process all of our online and over-the-phone payments, since it will save us a tremendous amount in service fees.

If you would like to pay your club's dues with a credit card, please contact Youth Development and Communications Specialist Mallory Morgan at youthdevelopment@pilothon.org and 478-477-1208 ext.305 to give a card number over the phone or request the Zeffy Link to pay online.
