Pilot Friends,

I definitely found Gold in the hills at Lake Guntersville State Park during Fall Council 2023. Approximately 87 Alabama Pilots and Co-Pilots came together to play, learn, and fellowship.

- 🌟 Members of the Pilot Club of Enterprise were excellent hostesses.
- 🌟 Golden friendships: 13 past governors, 5 first timers, a new Pilot of 2 months, and an experienced Pilot of over 50 years were all in attendance.
- 🌟 Golden Entertainment: The Shining Stars of Guntersville gave an outstanding performance. Everyone got into the songs and dancing and drumming. Such an inspiring group to behold.
- 🌟 Creative fashions from the House of Pilot featured the latest in casual, business and party attire, sportswear and even swimwear. The latest accessories modeled were loafers, a Fruit of the Loom designer briefcase, a top hat, and a pillbox hat. We even had a smoking hot pig in a blanket. Check out the district Facebook page for pictures.

Hopefully all who came to Fall Council found some golden nuggets of inspiration and knowledge to take back to their home clubs.

I want to encourage you to tune in to the PI Power Hours which are zoom meetings held on the 3rd Tuesday of each month at 7:00 pm. The next Power Hour will be on October 17. The topics discussed will be mental health and membership.

The Sharing your Pilot Gems workshop prepared by Governor Elect Laurie Fraser has been posted to our District Website. I hope that you will take advantage of this wealth of knowledge to help you spread the good news of Pilot.

In this issue of the Governor's Bulletin, you will find our District Pilot Ambassadors. Congratulations to these deserving, hardworking Pilots. If a picture of your ambassador was not included, please send it and I will include it in the November bulletin.

Pilot Founder's Day is October 18 th . Publicize this event and plan a special program for your October meeting. This is always a good time for Share Pilot. Use your "elevator speech" this month to recruit new Pilot members!!

I have enjoyed my club visits to Luncheon Pilot Club of Enterprise and Andalusia. In Enterprise, I shared some Alabama Pilot history and met new Pilots. In Andalusia, I shared President Holly's Membership Matters Initiatives, witnessed the installation of 4 new Pilots and met Covington County Compass Officers! Both LPCE and Andalusia clubs are recruiting new members and actively serving their communities.

If you have upcoming fundraisers that you would like to include in our Alabama bulletin, please send the information to Joy Morgan, Bulletin Editor, @ joyesmorgan@gmail.com

Keep digging deep,

Karene

GOVERNOR-ELECT

Laurie Fraser

Greetings!

We have just settled back in from Fall Council, and it was SO nice to see everyone. Half of our mission: "We come together in Friendship" means a lot to so many of us, as was indicated on our pieces of gold on the wall. For those of you that were able to attend, my message today was heard there, but I am repeating the results of next year's Conference Committee for those who couldn't attend. As you remember, last year we voted in the establishment of a committee for compiling the information on conference sites for Anchor, Fall Council, and District Conferences. This method has been very successful, to the point where the DAC has already voted on sites and dates for next year, and we have signed the contracts, well ahead of the December 1st required date. We are very pleased to announce that Fall Council 2024 will be held November 1st through the 3rd at Hampton Inn, Orange Beach. We selected a November date for this conference because the rates are lower in November. Unfortunately, after the pandemic, prices went up on everything. We did look at other locations. However, various factors led us back to Orange Beach. We made every effort to keep cost down for both the district and for you. The Anchor Convention will be held at the Embassy in Montgomery, which has been renovated and looks very nice. The dates are March 7th through the 9th, 2025 and March 6th through the 8th, 2026. The District Convention will be held at the Embassy in Montgomery on April 24th through the 27th, 2025 and April 23rd through the 26th, 2026. By signing for two years with the Embassy for both conferences, we were able to keep the price change in the second year for rooms at only a \$5 increase. They are giving us double Hilton rewards points, and a \$10 cut in parking. Also, there is parking located on the street that is easily accessible during our weekend stay. When we visited, we changed at least 3 items, and all were to our advantage. They did not change the price of those items in the final contract. I say this to let you know that they really worked with us.

I am reiterating these results in table form in case you want to just cut and paste for your bulletins:

- ◇ [2024 Pilot Fall Council Orange Beach Nov 1-3 Hampton Inn](#)
- ◇ [2025 Pilot District Montgomery Apr 24-27 Embassy Downtown](#)
- ◇ [2026 Pilot District Montgomery Apr 23-26 Embassy Downtown](#)
- ◇ [2025 Anchor District Montgomery Mar 7-9 Embassy Downtown](#)
- ◇ [2026 Anchor District Montgomery Mar 6-8 Embassy Downtown](#)

I extend a great big thank you to the conference committee. Kay Chandler, Benny Jo Cockrell, and Eleanor Park did an outstanding job. I am looking forward to future conferences with you!

Hello My Pilot Family!!

WOW, what a Fall Council! I was so EXCITED to see my Pilot Family. Feeling the Love, Laughter, Friendship, and Service that was shared over the weekend together. We had a total of 87 in attendance and 5 First Timers and I would like to say WELCOME to the FAMILY!

Remember our Pilot International President, Holly Baker has issued a challenging One Matters Membership Initiative. She has asked each Pilot to Get One Pilot. That would double our membership! Many of our clubs have already accepted President Holly's Challenge. Can you believe that we have added 34 NEW PILOTS to the District since July 1, 2023!! Let's keep up the good work and continue building our Pilot memberships. We are PILOTS and we are UNSTOPPABLE!

Hugs with Pilot Love,

Mollie Riley

TREASURER

Lisa Patterson

Welcome October! We are usually preparing to attend Fall Council later this month, but this year we are ahead of the curve having just spent the weekend with outstanding Pilots at Guntersville State Park. Thank you to all who attended, raised money for your club and supported the district by your presence and through fundraising. We raised funds to help offset the out-of-balance budget that was passed last year at District Convention, the District Projects, PIFF, and donations were collected for those suffering from the devastation in Maui. Below is a breakdown of funds raised:

- ✓ \$2,033 from the Crazy Auction, Basket Raffle & Club Donation – funds benefit the Alabama District
- ✓ \$1,578.92 from our PIGs which benefits the Camp ASCCA District Project
- ✓ \$830 from the Quilt Raffle which is split between our two District Projects (TBI Camp and the Camp ASCCA Chairs Project)
- ✓ \$25 to PIFF
- ✓ \$371 to Maui

Alabama Pilots are the best! Those unable to attend were missed.

Your DAC is working hard to cut costs in our district. As always, if you have any questions or suggestions, I would love to hear from you.

Yours in Pilot,

Lisa

Thank you to those that have submitted a brief statement about your club to be included on your own page on our district website. I will work to complete your pages soon. In the meantime, if you have a picture or two that highlights your club at work, please send it to me. Keep in mind it should not include a child's face, unless you have a signed release, and be sent in a minimum 350 dpi file size.

I appreciate and thank those that brought a document of your roster but, I need this sent to me electronically in a word file as soon as possible so our district directory can be totally accurate and up to date.

Don't let the October goblins get you,

Happy Fall Ya'll! It may not feel like Fall in your corners of the world, but I know I start to get excited after Labor Day as it means time for Fall Council and Holidays! As the holidays begin to approach, hopefully you are making plans not only with friends and family, but also with your clubs to have some Projects and Fundraisers. Our wish is that they will not only help celebrate our great organization, but also represent our very core with influencing positive change in the communities we serve around the world.

Membership Month Focus: Is your club able to organize either a Share Pilot Event or a way to spend some time sharing the message of Pilot during our annual Pilot Walk on October 7th? Use this as a way to let others in the community know about your Club and all the ways you support others!

PIFF Matching Grant and Emergency Response Program Grant deadlines are October 15th! Get your application packets turned in so we can continue to support your wonderful clubs and efforts as they endeavor to serve their communities.

Founder's Day – October 18th is always an exciting time as we celebrate when we were started in 1920 as well as all we have accomplished since then. Consider a special event or celebration and invite prospective members as this is a great time to talk about what you club has done through the years!

Make a Difference Day – October 28th is just around the corner and a great lead into International Care and Kindness Week. Be sure to share ideas about projects or events that can also commemorate this day of thoughtfulness as you continue to also raise awareness about all your clubs and districts do!

ALABAMA GEMS OF SERVICE

You did something MAUI FOOD BANK
Helping to Thrive amazing today!

Dear Alabama District,

Mahalo for your generous donation of \$371.00! **Words cannot fully express the significance of your kindness. It is unbelievable to see the devastation caused by the fires that swept across Maui.** However, we are continually uplifted by all the love and support we are receiving.

Maui Food Bank jumped into action immediately after the fires. In the first ten days, we sent 250,000 pounds of food to people affected by this disaster. We will continue to work diligently with our partner agencies, places of worship, local businesses, and community groups as we all respond to the need. Looking ahead, we anticipate a significant increase in the demand for our services.

Your support is more vital than ever before, given the magnitude of this crisis.

You have made a tremendous difference as we begin the road to recovery for Maui and our island Ohana. We are deeply grateful for your partnership as we continue to provide reliable food access in our community for years to come.

Warmest regards,
Richard Yust
Executive Director

**Maui Food Bank is helping families and neighbors facing hunger right here in our community. Once immediate disaster relief needs have been met, the remaining funds and food will be used to support our ongoing recovery and hunger relief efforts throughout Maui County.*

**No goods, services, or benefits were received in exchange for this donation. Fed I.D. 99-0315110*

OCTOBER IS MEMBERSHIP MONTH

Our District is stepping up to invite new members to our clubs. Thank you for your hard work at recruiting. Let's keep it up! Host a Share Pilot event this month. After new Pilots join, let me encourage you to mentor them in all things Pilot. How often do your members recite the Pilot Pledge? Do you know it? We need to make a special effort to make all our members aware of the commitment that they have made to our great organization. Encourage your members to recite the pledge often at meetings.

"In appreciation of the honor and benefits to be derived by me from membership in the Pilot Club of _____, I hereby pledge my loyal support of this club and to Pilot International, and promise to be governed by the rules and regulations embodied in the by-laws:

To Faithfully uphold the ideal and principals set forth in Pilots' Code of Ethics.

To Willingly serve in any capacity that is in the best interests of the club, to help and not to hinder.

To be honest, generous, kind and just.

To be slow to criticism and quick to praise.

To create understanding and to develop friendship with my fellow Pilots.

To be loyal to Pilot in thought, word, and deed."

Pilot International is hosting a Membership Matters zoom meeting on Thursday, Oct 26, @ 6 pm cst. All new members and Pilots interested in starting a new club, are especially invited to attend. Be watching your email from PI for an invite. Forward this on to all your new members.

A request from Joanna at PI HQ: Please use the updated new member form on the website. Be sure that all the information is completed including the sponsor's name. This ensures that new members are added to email list and that sponsors get credit for the PI Registration Drawing.

TBI CAMP

Kay Chandler

"Boot Scooting @ Ten"

No matter what month, we are always busy planning TBI Camp. Mellissa King is working on a wonderful new brochure that can be used for recruiting sponsorships. Mollie Riley is getting ready for gathering up supplies. Benny Jo Cockrell is working on recruiting Corporate Sponsors. And me, I'm motivated to make our tenth camp the very best ever! We are "Boot Scooting @ Ten" down at beautiful Camp ASCCA. But we can only be successful with your help. The Pilot Club of Enterprise is planning Registration; The Pilot Club of Prattville is busy gathering up Bingo prizes; The Pilot Club of Troy is working on our Scrapbooking and The Pilot Club of Decatur is looking up new Craft ideas. Still looking for a Club to handle the Backpack goodies.

We need each of you to make your plans to attend, April 19-21, 2024. We need Pilots, Anchors, and Compass Members! We already have Campers ready to register. Please sponsor a Camper/Caregiver. The cost is \$300.00. This will give these Campers/Caregivers a once in a lifetime experience. We need Bingo Prizes for Adults, Scrapbooking supplies, Backpack goodies, Decorations, and WE NEED YOU. Why not apply for a 'Pick Me Up' Grant for our Caregivers. Remember we are a 501c3, so any contributions or sponsorships are tax deductible. Help us to make our 10th Camp the Best Ever! The TBI Campers are depending on you! If I can help you or if you need information, contact me at misskay311@aol.com.

PROJECTS COORDINATOR

Mary Browning

Service Projects and Fundraiser/Service Projects abound in the Alabama District. We want Alabama to be known for the outstanding service and support that Pilots offer to our communities and our state. Some of our fundraising projects have service to the community built into them. Case in point: Touch-A-Truck in Enterprise. This project provided an activity for the family, education about safety, distribution of helmets and raised a lot of funds for the Pilot Club of Enterprise. How did they do it?

I announced in the August Bulletin, that PI Projects Coordinator, Barb Adkins, is compiling a Pilot International Recipe Book of Service Projects to be available at the next PI Convention. The Alabama District needs to be included! Please send me the "recipe" for your most successful project.

Include: Title of the Project

Ingredients Required: What resources, materials, personnel, etc. is needed?

Steps in Preparation: How do you carry out the project?

Results: Who does the project impact?

Please send your information to me no later than October 30, 2023. I will then pass this information on to Barb at PI.

Email your information or questions to marybrowning1956@gmail.com or call 334-444-9585.

PILOT CARES

It's Fall Y'all! Time to enjoy the crisp cool mornings while we reflect on shared moments at Guntersville State Park Lodge for the Fall Council. Thanks to all who had a part in preparing such an awesome event. God certainly had us on His mind by letting us have beautiful weather.

Let me share these words from Albert Schweitzer: "I don't know what your destiny will be, but one thing I know; the only ones among you who will be happy are those who have sought and found how to serve." Keep on digging for God's precious treasures! *Do More Be More Care More*

Please remember the following in your prayers:

- ♥ Carolyn Hammond, President of PC of Gadsden's brother, Dr. W. C. Deaver of Selma, AL, passed away. Cards may be sent to 1204 Walmond Street, Gadsden, AL 35901.

Testimonial From New Andalusia Member

Thank you for your interest in my reason for deciding to join Pilot Club of Andalusia. When I lived in Indiana, I was proud to be an active member of a philanthropic sorority called PEO, Philanthropic Educational Organization. This organization celebrates the advancement of women through education, scholarships, grants, etc. and motivates women to achieve their highest educational aspirations. It has an international outreach, and I was disappointed that there are no PEO Chapters within 100 miles of Andalusia.

Because of my involvement with PEO, I felt I would enjoy having a community outreach and meeting likeminded women when I relocated. Upon chatting with Loretta Black, we found we had mutual goals. My husband, Eric Lidh, was the former professor of Lisa Patterson who served at the Pilot International Headquarters. He asked Lisa about a contact here at the Andalusia Pilot Club. Maggie Mash was Lisa's recommendation, who also happens to be another former student of Eric's! I guess the rest is history, because after contacting Maggie, Loretta and Sally joined me in membership too.
