District Governor

Beverly Wilkerson

Well, this is the final and 12th issue for the 2021-2022 year. It has been a fabulous time serving as District Governor and one of Collett Cross' Century Governors. I have been doubly blessed serving once as an Adventurer with Faith Stamps and wonderful sister Governors friends and this past year special sister Governor friends serving along with Collett and with the distinction of 100th Century.

I have been truly blessed with the most wonderful fellow DAC officers this past year. I looked forward to all of our DAC & Planning meetings together and left each meeting with a sense of friendship and accomplishment. Most of our meetings were held via Zoom. Forever grateful to Governor Elect Sabine Wlodarski, Treasurer Claire Plott & Secretaries Shauna Robertson & Carolyn Cobb. You have left me with memories that I will treasure throughout my lifetime.

I can't thank Pam Langhout enough for her work on the bulletin each month. What a wonderful editor. I know I sent more info, etc. sometimes than what was needed but she made it all work.

Our PI President Collett requested, and you acted by inviting others to join your clubs. All of you have been so supportive and encouraging this past year. And many more years of friendship and service together I am looking forward to in the years to come. So proud and thankful to have served with the 2021-2022 Club Presidents. I loved receiving emails, photos, and other news and relished the opportunity to visit with your clubs at your club meetings and events.

Also, so appreciative of the 2021-2022 District Appointees. Calling and asking each one of you to serve during my term was exciting as all of you said yes. You have gone above and beyond that which was expected.

Such special Pilots are throughout our district. The Clubs and their members I have been able to visit with many times during these past seven years serving on the DAC has been so special. All of this is just one reason why our Fall Councils, District, and PI Conventions are so needed as we get to see each other again and our friendships become even stronger.

----Continued on Page 2-----

And the many friends that I have known now these past 20 years as a member of the Pilot Club of Cullman I will treasure always.

Until we meet again.....

Governor Elect

Sabine Wlodarski

Can you believe it is June? I cannot believe how fast this year has gone. I have learned so much under the tutelage of Governor Beverly Wilkerson. She has been a wonderful mentor for me. I appreciate her patience and tolerance of the many questions I have had this past year. The DAC has been wonderful to work with as well. We in the Alabama District are fortunate to have great leadership.

I look forward to seeing you in Rochester, New York at the Pilot International Convention. It promises to be fun and informative. Congratulations to the new club officers that will serve in 2022-2023. Best wishes for a successful Pilot year.

Sabine

Treasurer

Claire Plott

This Pilot year is coming to a close. Doesn't seem possible! Thank you for the opportunity to serve as your District Treasurer the past two years. It has been a privilege to work with Beverly, Sabine and Carolyn.

Hope all of you have elected new officers and are working on new plans of work. Don't forget that PI and District dues are due by July 1st.

Best wishes to your new District Administrative Counsel—Governor Sabine, Governor-Elect Karene, Treasurer Maria and Secretary Pam.

CALENDAR OF EVENTS

- June 29 – July 2, 2022 PI Convention & Leadership Conference, Rochester, New York
- July 2022 New Pilot Year Begins

LEGEND: Highlighted in RED is DAC related; Highlighted in GREEN is individual Club related (if any)

This year is coming to an end, and I really enjoyed my few months as District Secretary. The District Convention was a little challenging to me at one point but thanks to all the wonderful DAC Officers, I MADE I THROUGH. I apologize for not attending the Sunday morning service and meeting, but thanks to Sabine Wlodarski, it was covered.

If you missed District Convention, you missed a wonderful time. Looking forward to seeing everyone at International. Start planning to attend all the future Conventions, Fall Council, and TBI Camp. WE always learn something new and have a wonderful time in fellowship. That is what helps us grow.

Carolyn

Facing the Future

As the new Pilot year approaches, we may be tempted to speculate about what the future holds-Pilot wise and otherwise. In our lives, will there be challenges and trials? Unexpected blessings and windfalls? Thinking about the future can seem like unraveling an intricate mystery plot, but the prophet Jeremiah assures us that God reveals exactly what we need to know!

As we look to the new year, we may try to gain a sense of control over the unknown by planning, setting goals, or making resolutions. But most of us realize that the future really lies outside of our control.

We can, however, trust GOD for what lies ahead. God sees everything that will happen, and He sees us as well. God, through Jeremiah, doesn't encourage us to try to set our course. God encourages us to call on Him as we face the future and to anticipate an answer.

God has promised us that He will be faithful. Be encouraged that He goes before you and follows close behind. His hand is lovingly directing your course.

Please continue to pray for those whose needs have been brought to our attention and those suffering pain and losses of loved ones.

May you all and your clubs have a wonderful new year helping our communities through Pilot and bringing new friends into our Pilot lives. May God bless you all.

Please be in prayer for all those who are sick and have lost loved ones as our prayers are needed.

- Please lift up in thought and prayer Alabama Past District Governor and of the PC of Florence, Lorraine Banning. Lorraine is also the mother of treatment. Cards may be sent: 101 Laurel Lane, Florence, AL. 35633.
- Please pray for Peggy Harris, PC of Cullman who is having surgery on June 7, 2022.
-

Be safe dear Pilots and pray for each other.

2021-2022 Pilot International President

Here we are. Another Pilot year is about to complete. President Collett reminded us of *Forward Together-Believe in the Possibilities*. We look back on our many new Pilot friendships, successful projects done, and lives touched by the beautiful giving hearts of Pilots around the world. Yes! That's why we are Pilots! Energized by all Pilot means to us, let's not forget that our Pilot dues keep our organization running with many resources from Pilot International and our districts. Will you try your best to pay your dues before the end of the Pilot year, June 30th?

We are gearing up for an amazing Pilot International Leadership Conference for many of us. The deadline to be a part of this exciting conference is May 31st. That includes Pilot, Anchor, Compass, Navigator registrations, t-shirt orders, marketplace reservations, and the Bellevue Big Benefit Raffle. June 3rd is the final day to take advantage of the special hotel room block rates at the Hyatt Regency and Hilton Garden Inn. For those who are attending, there are some exciting PIFF fundraisers. There is still time to purchase tickets for Evening at the Eastman and Sunset Dinner at Casa Larga, with a deadline for either is June 13th. And finally, a June 17th deadline has been set to purchase tickets to the Rochester Red Wings baseball game.

As we begin preparations for the 2022-2023 Pilot year, let us build on the many successes this year brought and challenge ourselves to share our beautiful Pilot story. We all have a personal Pilot story that tells why we love Pilot. Would you share it? Let's *Spread Pilot Sunshine* everywhere we go. Together we will grow our organization one member at a time.

What busy Pilots! Tell us what you are doing! We have a few clubs that are very active and sharing the togetherness of Pilot! What is your club doing to share Pilot? Are you having fun and helping your community? Let us know!

Club Presidents- Please share what your club is doing for your community. Please send your photos with a write-up to the Governor and Governor's Bulletin Editor, Pam Langhout at planghou@hiwaay.net
